Appendix

Printing in black and white

PowerPoint is automatically set to print the document in full color if sent to a color printer.

To change the print settings so sliders are printed in grayscale, follow these steps.

- Click on File.
- Choose Print.
- Once a printer has been chosen, the last entry on the screen is “Color output”.
- Change this from “Color” to “Grayscale”.
- Print the document.

Appendix

Brand evolution training on Brand Space

- 60 min program context setting, leadership webinar
- 2.5 hour condensed superuser training
- 10-minute micro trainings to continue upskilling on key topics. Topics now available include:
 - Introduction to the refreshed Brand Space
 - Accessibility matters
 - Governance—what you need to know
 - Introduction to the updated templates suite
- Coming soon—recordings of in-person super user training

Training library to continue expanding—check back often!
